Hi Patrick,

The following Automotive draft training products are now available to review:

Outdoor power

Sales and administration

Vehicle body repair

Underutilised qualifications

To review the training products, please click on the buttons above and download the project documents. You can also find them by visiting our [website](#) (under Current Projects).

The folders each contain a summary document explaining the context of the project, the changes that have been made and the best way to provide feedback.

*We are seeking to collect as much feedback from industry as possible, so please share this information with your networks.*

Please note that feedback will be accepted until **COB Monday 2nd December, 2019.**

We encourage you to get in touch if you have any further questions.

Kind Regards,  
Skills for Australia

I look forward to the opportunity of meeting and working with you all in the future - I know our paths will inevitably cross.

Regards,  
*Pat Thornton*
