Norton™ 2021 "PREP IT!" Student Competition is aimed to showcase the various processes required for automotive repair and restoration of vehicles.

The entrants may show any step in the preparation process, from bare metal through to polishing. The submitted preparation work piece MUST be using a Norton Abrasives product.

* All monthly entries go into the draw to win the major 2021 prizes!

Drawn on the 28th of each month, April - December 2021

All Prize winners will receive gift cards to the shown value. Scan the QR code for full details.
